The Company will disregard any votes cast on this resolution by or on behalf of a member of the key management personnel of the Company (including Directors) ("KMP"), or their closely related parties.

However, the Company need not disregard a vote cast by a KMP or closely related party of the KMP if:

- (a) it is cast by a person as proxy for a person who is permitted to vote, in accordance with the directions on the Proxy Form; or
- (b) it is cast by the Chairman of the Annual General Meeting as proxy for a person who is permitted to vote, where the Proxy Form does not specify the way the Chairman is to vote and which expressly authorises the Chairman to vote even though the resolution is connected directly or indirectly with the remuneration of a KMP and even though the Chairman of the Annual General Meeting is a member of KMP.

Explanatory Memorandum

The Notice should be read in conjunction with the accompanying Explanatory Memorandum.

Eligibility to vote

In accordance with the Corporations Act and the Constitution, a person's entitlement to vote at the General Meeting will be determined by reference to the number of Shares registered in the name of that person (reflected in the register of members) as at 7pm (Sydney time) on Monday 29 May 2017.

How to vote

Each Shareholder is entitled to attend and vote at the General Meeting in person or by proxy.

Proxy votes

Each Shareholder is entitled to appoint not more than two proxies to attend and vote in their place.

Where more than one proxy is appointed, the appointment may specify the proportion or number of votes that the proxy may exercise, otherwise each proxy may exercise half of the votes.

A proxy need not be a Shareholder.

A Proxy Form must be signed (in the form attached to this Notice) by the Shareholder or the Shareholder's attorney.

Proxy Forms must reach the Company at least forty-eight (48) hours before the General Meeting.

Key Management Personnel as proxy

If a shareholder appoints a member of the key management personnel (KMP) (which includes each of the Directors) or a closely related party of any KMP as proxy, such KMP or closely related party is not able to vote a proxy on Resolution 1 unless the shareholder directs them how to vote by marking the box on the Proxy Form (Step 2) for Resolution 1.

If a shareholder appoints the Chairman of the Annual General Meeting as proxy, the shareholder can direct the Chairman how to vote by marking the boxes on the Proxy Form for Resolution 1. Signing the proxy form will be considered to be an express direction to the Chairman of the Annual General Meeting to vote in favour of Resolution 1 even though Resolution 1 is connected directly or indirectly with the remuneration of a member of a KMP and/or even if the Chairman of the Annual General Meeting has an interest in the outcome of the Resolution.

Undirected Proxies

Subject to the above, the Chairman of the General Meeting intends to vote all undirected proxies in favour of the Resolutions. However, the Company encourages all Shareholders who submit Proxy Forms to direct their proxy how to vote on each Resolution by marking the boxes on the Proxy Form (Step 2) for each item of business.

Directed Proxies

Under recent amendments to the Corporations Act, there are new rules relating to how a proxy must vote directed proxies. If a Proxy Form specifies the way a proxy is to vote on a Resolution, then:

- (a) a proxy need not vote on a show of hands, but if the proxy does vote, the proxy must vote as directed;
- (b) if a proxy is appointed by two or more Shareholders who specify different ways to vote on a resolution, the proxy must not vote on a show of hands;
- (c) if the proxy is the Chairman, the proxy must vote as directed on a poll;
- (d) if the proxy is not the Chairman, the proxy need not vote on a poll, but if the proxy does vote, the proxy must vote as directed; and
- (e) if the proxy is not the Chairman and does not attend the General Meeting or does not vote on a Resolution, but the Proxy Form specifies how to vote and a poll is demanded, then the Chairman is taken to have been appointed as the proxy and must vote as directed.

Power of Attorney

A Shareholder's attorney may sign the Shareholder's Proxy Form on behalf of the Shareholder. By signing the Proxy Form, the Shareholder's attorney confirms that the authority under which he or she executed the Proxy Form has not been revoked.

If the Shareholder's attorney signs the Proxy Form, then the attorney must, when it sends the Proxy Form to the Company, also send the authority (or a certified copy of the authority) under which the Proxy Form was signed. Each of the Proxy Form and authority must be received at least forty eight (48) hours before the General Meeting.

Bodies Corporate

A body corporate may appoint an individual as its representative to exercise any of the powers the body may exercise at the General Meeting. The appointment may be a standing one. Unless the appointment states otherwise, the representative may exercise on behalf of the appointing body all of the powers that the appointing body could exercise at the General Meeting or in voting on a Resolution.

Enquiries

Shareholders are invited to contact the Company Secretary Robert Whitton on (02) 8263 4000 if they have any queries in respect of the matters set out in these documents.

Explanatory Memorandum

YPB Group Ltd

1. Introduction

This Explanatory Memorandum has been prepared to assist Shareholders in considering the Resolutions set out in the Notice. This Explanatory Memorandum forms part of, and should be read in conjunction with, the Notice.

Terms used in this Explanatory Memorandum are defined in the Glossary.

2. General

2.1 FINANCIAL STATEMENTS

The Corporations Act requires that the Financial Report (including the Directors' Report, Financial Statements and the Audit Report) be laid before the Annual General Meeting. Although not requiring a vote of shareholders, an opportunity will be provided for shareholders to ask questions on the reports, including of the Company's auditor, who will be available to answer shareholders' questions relating to the Audit Report.

2.2 RESOLUTION 1: ADOPTION OF DIRECTORS' REMUNERATION REPORT

The Board is committed to creating value for shareholders by applying the Company's funds productively and responsibly. A portion of the funds available to the Company is applied to remunerate your Directors.

Your Board is aware of the sensitivities of shareholders to remuneration practices generally, and submits its remuneration report to shareholders for consideration and adoption under a non-binding resolution. The resolution is advisory only and does not bind the Company or its directors. The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

The Remuneration Report appears within the Directors' Report in the Company's Annual Report and describes the remuneration practices of the Company and the rationale underpinning those practices.

Under the Corporations Act:

- (a) the Company is required to disregard any votes cast on this item of business by any member of "Key Management Personnel" (KMP) of the Company and their closely related parties, except as directed by any proxies; and
- (b) the company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (Spill Meeting) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the previous financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

NOTICE OF ANNUAL GENERAL MEETING

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company. **At the Company's previous annual general meeting the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.**

KMP are people having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, and include Directors.

"Closely related parties" includes certain family members and dependents of KMP and companies they control.

Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

- If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy -

You must direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

- If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member)-

You do not need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, you must mark the acknowledgement on the Proxy Form to expressly authorise the Chair to exercise his/her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.

- If you appoint any other person as your proxy -

You do not need to direct your proxy how to vote on this Resolution, and you do not need to mark any further acknowledgement on the Proxy Form.

Directors' Recommendation:

The Board recommends that Shareholders vote in favour of Resolution 1.

2.3 RESOLUTION 2: APPROVAL OF ADDITIONAL CAPACITY TO ISSUE SHARES UNDER LISTING RULE 7.1A**General**

Listing Rule 7.1A permits eligible entities to seek shareholder approval by special resolution at an Annual General Meeting to issue an additional 10% of issued share capital by way of placements over a 12 month period (**10% Placement Capacity**). The additional 10% placement capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

The effect of the Resolution 2 will be to allow the Directors to issue equity securities under Listing Rule 7.1A during the period of 12 months following the Annual General Meeting without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 2 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Eligibility

An eligible entity under Listing Rule 7.1A is one which has a market capitalisation of \$300 million or less and is not included in the S&P / ASX 300 Index. The Company is an eligible entity for the purposes of Listing Rule 7.1A.

The Company hereby seeks shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Capacity.

The exact number of equity securities that may be issued pursuant to the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 which provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of equity securities calculated as follows:

$$(A \times D) - E$$

where

A is the number of fully paid ordinary securities on issue 12 months before the date of issue or agreement:

- plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- plus the number of partly paid shares that became fully paid in the 12 months;
- plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 or 7.4. This does not include an issue of fully paid shares under the Company's 15% placement capacity without shareholder approval;
- less the number of fully paid shares cancelled in the 12 months;

Note that **A** has the same meaning in the Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of ordinary securities under Rule 7.1 or 7.4.

Any equity securities issued under the 10% Placement Capacity must be in an existing quoted class of the Company's equity securities. The Company presently has only two classes of quoted securities, being fully paid ordinary shares and options.

If the Company issues any equity securities under the 10% Placement Capacity, the entity must, pursuant to Listing Rules 7.1A.4 and 3.10.5A:

- (a) give to the ASX a list of the names of persons to whom the Company allotted equity securities and the number of equity securities caused to be allotted to each (but this list is not required to be released to the market); and
- (b) disclose to the market the details of the dilution to the existing holders of ordinary securities caused by the issue; where the equity securities are issued for cash consideration, a statement of the reasons why the eligible entity issued the equity securities as a placement rather than as a pro rata issue; the details of any underwriting arrangements and fees payable to the underwriter; and any other fees or costs incurred in connection with the issue.

NOTICE OF ANNUAL GENERAL MEETING

Required Information**Minimum price**

Any equity securities issued by the Company Under Listing Rule 7.1A can only be issued at a price that is no less than 75% of the volume weighted average price for securities in that class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- a) the date on which the price at which the securities are to be issued is agreed; or
- b) the date on which the securities are issued if the securities are not issued within five trading days of the date on which the issue price is agreed.

Dilution to existing security holders

If Resolution 2 is approved by shareholders and the Company issues securities under the 10% Placement Capacity, the additional economic and voting interests in the Company will be diluted. There is a risk that the market price of the Company's securities may be significantly lower on the issue date than on the date of the Annual General Meeting and the securities may be issued at a price that is at a discount to the market price on the issue date.

The table below shows a number of hypothetical scenarios for a 10% Placement Capacity as required by Listing Rule 7.3A.2 where the number of the Company's shares on issue (variable "A" in the formula in Listing Rule 7.1A.2) has remained current or increased by either 50% or 100% and the share price has decreased by 50%, remained current or increased by 100% based on the closing share price on ASX at 12 April 2017.

Number of shares on issue Variable "A"	Additional 10% placement Shares issued & funds raised	Dilution		
		\$0.065 Issue price at half current market price	\$0.13 Issue price at current market price	\$0.26 Issue price at double current market price
Current 211,887,886	Shares issued	21,188,789	21,188,789	21,188,789
	Funds raised	\$1,377,271	\$2,754,543	\$5,509,085
50% increase 317,831,829	Shares issued	31,783,183	31,783,183	31,783,183
	Funds raised	\$2,065,907	\$4,131,814	\$8,263,628
100% increase 423,775,772	Shares issued	42,377,577	42,377,577	42,377,577
	Funds raised	\$2,754,543	\$5,509,085	\$11,018,170

The dilution table uses the following assumptions which the Company does not represent will necessarily occur:

- a) the Company issues the maximum number of securities available under the additional 10% Placement Capacity;
- b) the table shows only the effect of issues of securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1;
- c) no options (including options issued under the 10% Placement Capacity) are exercised into shares before the date of issue of equity securities;
- d) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;

NOTICE OF ANNUAL GENERAL MEETING

- e) the table does not show an example of dilution that may be caused to a particular shareholder by reason of the placements under Listing Rule 7.1A, based on that shareholder's holding at the date of the Annual General Meeting;
- f) the issue price at current market price is the closing price of the shares on ASX on 12 April 2017; and

10% Placement Capacity period

Shareholder approval under Listing Rule 7.1A is valid from the date of the Annual General Meeting until the earlier of:

- a) 12 months after the Annual General Meeting; or
- b) The date of approval by shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

Purpose of 10% additional placement

The Company may seek to issue securities under the 10% Placement Capacity for either:

- a) Cash consideration. The Company may use the funds for working capital, towards potential transactions or for other corporate purposes deemed by the Board to be in the best interests of the Company; or
- b) Non-cash consideration for transactions deemed by the Board to be in the best interests of the Company including for the acquisition of businesses similar to those carried out by the Company, or for the provision of different services to the Company. In such circumstances the Company will release to the market a valuation of the noncash consideration that demonstrates that the issue price of the securities complies with Listing Rule 7.1A.3.

The Company will comply with any disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon the issue of any securities under Listing Rule 7.1A.

Allocation policy

The Company's allocation policy is dependent upon the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of allottees of equity securities will be determined on a case by case basis having regard to factors including but not limited to the following:

- a) the methods of raising funds that are then available to the Company;
- b) the effect of the issue of the equity securities on the control of the Company;
- c) the financial situation and solvency of the Company; and
- d) advice from professional and corporate advisers (if applicable).

Allottees under the 10% Placement Capacity have not been determined as at the date of this Notice of Meeting and may include existing and/or new security holders but cannot include any related parties or associates of a related party of the Company.

Previous Issues of Securities under Listing Rule 7.1A

The Company obtained approval under Listing Rule 7.1A at its previous annual general meeting on 13 May 2016. The approval granted on 13 May 2016 will cease to be valid as at the date of this Annual General Meeting. If approval is given under Resolution 2 then such approval will apply for a period of 12 months from this Annual General Meeting.

NOTICE OF ANNUAL GENERAL MEETING

In accordance with Listing Rule 7.3A.6, the Company has issued 40,477,599 fully paid ordinary shares (**Shares**) and 72,188,000 options (**Options**) since the Company's last Annual General Meeting. There was a 23.61% increase in the total number of Shares on issue in the Company since the last Annual General Meeting. On a fully diluted basis there was an increase of 53.28% of the total number of equity securities on issue since the last Annual General Meeting.

The equity securities issued since the Company's the last Annual General Meeting on 13 May 2016 are set out in the table below. For the purposes of the table:

Compliance with Listing Rules 7.1A.4 and 3.10.5A

When the Company issues equity securities pursuant to the 10% Placement Capacity, it will give ASX:

- a) a list of the names of the persons to whom the Company issues the equity securities and the number of equity securities allotted to each (not release to the market), in accordance with Listing Rule 7.1A.4; and
- b) the information required by Listing Rule 3.10.5A for release to the market.

Voting exclusion

A voting exclusion statement is included in the Notice of Meeting. At the date of the Notice of Meeting the Company has not invited and has not determined to invite any particular existing security holder or an identifiable class of existing security holders to participate in an offer under Listing Rule 7.1 A. Therefore no existing security holder will be excluded from voting on Resolution 2.

Directors' recommendation:

The Board recommends that Shareholders vote in favour of Resolution 2.

2.4 RESOLUTION 3: APPROVAL OF ISSUE OF NEW SHARES TO MOTIF MICRO VENDORS

On 8 December 2015 the Company announced it had signed a binding agreement (**LOI**) with the shareholders of Motif Micro Inc., (**MM**) (together the **Motif Micro Vendors**) to acquire all of the issued capital in MM (the **Motif Micro Shares**). This agreement was varied on 28 February 2017 whereby YPB Group's wholly owned US subsidiary will now merge with MM pursuant to Delaware, California and US statute.

NOTICE OF ANNUAL GENERAL MEETING

MM is a US based company commercialising secure, smartphone readable micro-barcode technology.

As part of the consideration for the merger the Company must issue on closing of the merger to the Motif Micro Shareholders (in their relevant proportions) 10,244,025 ordinary shares in the Company (**MM Consideration Shares**). The Company is only seeking approval for the issue of these shares at this time.

The full “**Merger Consideration**” is an amount of up to US\$6.0 million subject to achieving certain milestones and paid in cash and YPB fully paid ordinary shares as follows.

- (i) First cash payment. At the Closing, YPB shall pay an amount equal to US \$1,000,000 less the Aggregate Expenses and the Deposit.
- (ii) Second cash payment of up to US\$500,000 at the first anniversary of the Closing Date subject to the achievement of certain milestones within 3 months of Closing
- (iii) Third cash payment of up to US\$500,000 at the 2nd anniversary of Closing subject to the achievement of certain milestones within 6 months of Closing

(b) Share Portion.

- (i) First share payment. At the Closing, YPB shall issue 10,244,025 YPB fully paid ordinary shares (the “Closing Shares”). The Closing Shares shall be subject to a restriction on transfer until the second annual anniversary of the Closing Date.
- (ii) Second share payment. If certain milestones are achieved within 12 months of Closing, YPB shall issue to the Sellers (A) YPB fully paid ordinary shares to the value of US \$1,000,000 as calculated both in regard to exchange rate and share price as at Closing, plus (B) an additional number of YPB fully paid ordinary shares calculated by deducting the value of the first share payment from US\$3,000,000 and applying the exchange rate and share price as at Closing.

The issue price of the MM Consideration Shares will be calculated by application of the VWAP on the day of the completion of the merger.

The MM Consideration Shares will be subject to voluntary escrow restrictions for a period of 24 months.

ASX Listing Rule 7.1 prohibits a company from issuing securities representing more than 15% of its issued capital in any 12 month period without security holder approval. Security holder approval is sought to approve the issue of the MM Consideration Shares referred to in Resolution 3.

By approving the issue of the MM Consideration Shares, the issue will not diminish the 15% annual placement capacity of the Company. This will provide the Company with flexibility to issue further equity securities within the next 12 months up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior shareholder approval. In the absence of such approval and subject to the passing of other resolutions at the General Meeting the Company may not have sufficient placement capacity to issue the MM Consideration Shares and accordingly would not be in a position to complete the acquisition of the MM Consideration Shares.
